And Connect With Them.**

*Weave, weave, weave us together,
Weave us together, in unity and love.
Weave, weave, weave us together,
weave us together, together in love.*

We are many textures,
we are many colors,
Each one different from the other.
But we are entwined with one another
in one great tapestry.

We are diff'rent instruments,
playing our own melodies,
Each one tuning to a diff'rent key.
But we are all playing in harmony,
in one great symphony.

A moment ago, still we did not know
our unity, only diversity,
Now the Soul in me
greet's the Soul in thee,
in one great family.

Let There Be Peace On Earth

©1955 Sy Miller and Jill Jackson, Used with permission

Let there be peace on earth
And let it begin with me;
Let there be peace on earth,
The peace that was meant to be.

With God as Creator,
Family all are we,
Let me walk with my family
In perfect harmony.

Let peace begin with me,
Let this be the moment now.
With every step I take,
Let this be my solemn vow:
To take each moment and live each moment
In peace eternally.
Let there be peace on earth
And let it begin with me.
